Dear Judge Johnson,

My name is Dashawn Watts and I am writing a letter about my uncle Charles Watts. Even though I never had the chance to meet him in person, my uncle Charles is one of my closest friends. When we speak on the phone I really enjoy speaking to him because he always gives me the best advice as far as school, relationships, and communicating go. I believe the reason he gives such great advice is because he has taken the time to learn about life from his time in prison. My uncle is wise, loving, and smart. My uncle is a very smart man and he isn't a danger to others.. He is truly one of a kind.

He loves his family a lot, especially his sister Evelyn (my mom). I've heard so many heartfelt stories over the years about him and I have just been waiting to experience that same fun, excitement, and love around him for myself. Even over the phone, he always makes our day whether it's cracking jokes or with his good spirit. He's a positive man and deserves a second chance at life.

Sincerely,

Dashawn Watts
